

# DC RIB

## METAL PANEL

### FOR DURABILITY AND VALUE

Our **DC Rib panel** is our **most versatile option**, offering a **classic, standard design** that works well for many different building applications.

Each panel provides **36"** of coverage with **3/4"** tall ribs spaced **9"** on center, giving it a **clean, traditional appearance**.

Available in **galvanized, galvalume, or a painted finish** with **Sherwin-Williams WeatherXL® coating**, it combines everyday practicality with **long-lasting durability and style**.
